Welcome to S10 Bridge Club. As a new member, you will have become a social member of Hallam Grange Lawn Tennis Club (HGLTC). This document tells you more about the venue and other activities that take place at HGLTC.

The Clubhouse

The **noticeboards** in the entrance hall generally contain plenty of items of interest. The **Bridge duty** roster can be found to the left of the hall & on the left-hand side.

The **changing rooms and toilets** are at the far left hand side of the hallway.

The focus of the social scene is the **club bar**. This is staffed by the members themselves – which has the undoubted benefit of keeping the prices down to the bare minimum!

The **McCalman Hall** on the right-hand side of the entrance hall is where we play bridge. Other club sections such as table tennis, tennis coaching and indoor bowls make use of this room on a regular basis. There are also general

S10 Bridge Club (www.s10bridgeclub.com)

We meet every Thursday and start playing at 7.15pm aiming to finish by 10.15pm and we play duplicate. We usually have between 5 & 9 tables.

Please see the HGLTC website (<http://www.hallamgrange.org.uk/>) for cost of the annual subscription to join as a Social Member (at present £29 per annum). In addition, you pay an extra levy of, at present, £24 per annum to join the S10 Bridge Club & 50p per week table fee (when you play) to cover the cost of tea/coffee. Visitors may attend 3 times at a cost of £2 per night before deciding whether or not to join. (There is at present a 25% reduction on the total £53 per annum for the first year of joining & new members also get their visitors fees reimbursed).

The members are a friendly bunch and new players are very welcome. Inexperienced players need not feel intimidated and it is not essential to come with a partner. Two members act as stewards in turn each week and prepare tea/coffee for us and also are available as partners when needed.

A committee apportions responsibilities & we have a Bridge Club AGM. For more information contact Liz Moor on 268 6876 or lizmoor1@gmail.com
